

WE PROVIDE **SOLAR** SYSTEM

MES solar distribution Malta is a distributor of photovoltaic equipments in Malta and neighboring countries.

As an official distributor of a wide range of **IFRI-SOL** panels and **GOODWE** and **DEYE** inverters.

MES Malta is also providing studied and controlled structures meeting the european standards.

WHY US ?

- ✓ A tax benefit for customers
- ✓ Distribution to all european countries
- ✓ After-sales services
- ✓ Highly qualified team for assistance
- ✓ A very attractive transit time
- ✓ A long term collaboration

OUR PARTNERS

Part of the Zrouga Group, IFRISOL was founded in 2012, a fast growing photovoltaic module manufacturer.

In 2018, IFRISOL was named a leader in the photovoltaic sector in Africa. And currently, IfRISOL products are available in over 40 countries & regions.

IFRISOL has delivered more than 100mWh of solar modules through its international sales network.

Founded in 2010, GOODWE is a leading company that focuses on the research and manufacture of photovoltaic inverters and storage solutions.

GOODWE, ranked among the top 5 solar inverter manufacturers (according to Bloomberg, IHS & Mackenzie).

A monthly sales volume of 30,000 pieces in 2019 and 12GW installed in more than 100 countries.

Ningbo Deye Inverter Technology Co., Ltd is professional PV inverter manufacturer and Solar On-grid, Grid-tie inverter suppliers.

Deye is a major player in the global solar inverter market. Also, Deye offers the right device for each application: for all module types, for grid-connection and stand-alone grids as well hybrid inverter system, for small house systems and commercial systems in the Megawatt range. Among them, PV grid-connected inverter power range from 1.5-110kW, Hybrid inverter 3kW-12kW, and microinverter 300W-2000W.

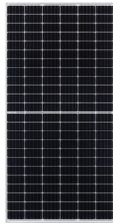

- ✓ Integrated MPPT System
- ✓ Remote monitoring
- ✓ Specific pump protection
- ✓ Optimal off-grid solution

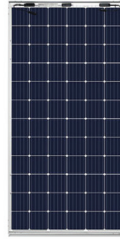

OUR PRODUCTS

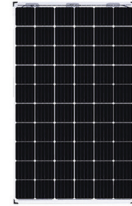

High-End IFRI-SOL SOLAR MODULES

Half cut 144 cells

Bifacial panels

Monoperc 72 cells

- High-end ifri-sol solar modules : at ifri-sol we put our customers and partners In the center of our attention and treat them with trust, respect and integrity While driving for world - class products , continually im proving the quality and Enviromental friendliness of our products are at the core of ifri-sol values.

GOODWE
YOUR SOLAR ENGINE

A WORLD-LEADING PV INVERTER

Residential DNS
serie s3/6kw

Commercial roofs
2/60 kw +

POWER PLANT
225/250 KW

Deye

professional PV
inverter

Single Phase String Inverter :
SUN 1.5-3KW / -3.6-6KW / 7-10.5KW

Three Phase String Inverter :
15-17KW /18-25KW/ 30-36KW/
60-80KW/ 70-110KW

- A world-leading pv inverter and energy storage solutions, good we : good we Solar inverter shave been used in residential and commercial roof tops, Industrial and utility scale systems and range from 0.7 kw to 250 kw .

A LONG LASTING CERTIFIED MOUNTING SYSTEM

MOUNTING
SYSTEM

- **Advantages** : suitable design for majority of roofs and all types of solar Panels, long last and enhanced durability, iso certified manufacturing process, Stylish design and colours, 10 years warranty.

OUR SERVICES AND ADVANTAGES

Reliable Technology

- ✓ Solar Panels 100% Made in Tunisia
- ✓ European certifications
- ✓ 25-year production guarantee

A Controlled Installation

- ✓ Custom production study
- ✓ Authorized Installers
- ✓ Remote monitoring and follow-up
- ✓ A large & professional network present throughout the Tunisian territory

A safe investment

- ✓ Your project is self financing
- ✓ Your bills are going down
- ✓ Your energy needs are covered
